CONNECTING POWERFUL  
TRANSACTIONS

**SELF-ORDER  
KIOSKS**

# PROVIDE A DIGITIZED DINING EXPERIENCE

There is a growing acceptance of self-service checkout in restaurants and retail food markets. Digital menus provide customers with abundant menu options and eliminate the anxiety associated with long lines and feeling rushed at the checkout. The speed of service also improves because when customers input their selection there are fewer inaccuracies and orders are moved through the kitchen faster.

## ADVANTAGES OF SELF-SERVICE KIOSKS

- ACCURATE ORDERS = LESS FOOD WASTE
- POTENTIAL TO UPSELL
- REDUCE LABOUR COSTS
- SHORTER WAIT TIMES AND LINES
- EXPEDITE FOOD PREPARATION
- INCREASE CUSTOMER SATISFACTION

# TECHNOLOGY THAT UNITES YOU WITH YOUR CUSTOMERS

We know every experience counts, and we strive to create and cultivate powerful connections between brands and customers, like our Self Order Kiosks that unleash the full potential of engagement and give your customers complete control over autonomy of their buying experience.

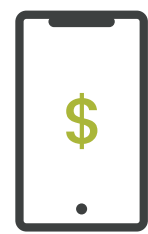

# DELIVER BIG IMPACT WITH A SMALL FOOTPRINT
