Connecting Powerful Transactions

GIVEX E-COMMERCE

YOUR ONLINE TOOL TO CONNECT POWERFUL TRANSACTIONS

Givex E-Commerce is an online, module-based site that facilitates gift card sales. Meet your customers where they are, through an omnichannel experience that allows for seamless use on mobile and desktop. Conveniently, you can add your loyalty program, B2B gift cards, and e-gift cards in one online environment, creating the perfect all-in-one solution that prevents customers from having to switch sites.

CUSTOMER BENEFITS

Gift Cards Information
Users can be fully aware of their gift card's usage history, checking the card's balance and its previous transactions.

Gift Cards Protection
The site offers users the ability to register their gift cards to prevent theft or loss. It's also possible to report stolen/lost cards in the same site.

Customize Physical Gift Cards
Want to offer truly personalized gift cards with custom messages and images? Your customers can personalize a physical card and get it delivered using our fulfillment services.

Loyalty Website
Using the same gift card functionality, customers can register, check balance, and redeem rewards using their accumulated points in the same friendly interface.

Merchant of Record
With this option, Givex takes on the risk of fraudulent transactions to give you peace of mind.

B2B Gift Cards
Sell cards in bulk to your corporate clients. You can add this module and your clients can buy.
